NEC has revised its operating segments from Q1, FY21/3. Figures for the corresponding period of FY19/3 or FY20/3 have been restated to conform with the new segments.

NEC has changed the accounting principles under which it prepares its consolidated financial statements required under the Securities and Exchange Law of Japan and the Company Law of Japan from U.S. GAAP to Japan GAAP, effective for the first half of FY2007/3. Further, NEC adopts IFRS from FY2017/3.

Cautionary Statement with Respect to Forward-Looking Statements

This material contains forward-looking statements regarding estimations, forecasts, targets and plans in relation to the results of operations, financial conditions and other overall management of the NEC Group (the "forward-looking statements"). The forward-looking statements are made based on information currently available to NEC and certain assumptions considered reasonable as of the date of this material. These determinations and assumptions are inherently subjective and uncertain. These forward-looking statements are not guarantees of future performance, and actual operating results may differ substantially due to a number of factors.

The factors that may influence the operating results include, but are not limited to, the following:

- ・ foreign currency exchange and interest rate risks;
- ・ changes in the markets in which the NEC Group operates;
- ・ the recent outbreak of the novel coronavirus;
- ・ potential inability to achieve the goals in the NEC Group's medium-term management plan;
- ・ fluctuations in the NEC Group's revenue and profitability from period to period;
- ・ difficulty achieving the benefits expected from acquisitions, business combinations and reorganizations;
- ・ potential deterioration in the NEC Group's relationships with strategic partners or problems relating to their products or services;
- ・ difficulty achieving the NEC Group's growth strategies outside Japan;
- ・ potential inability to keep pace with rapid technological advancements in the NEC Group's industry and to commercialize new technologies;
- ・ intense competition in the markets in which the NEC Group operates;
- ・ risks relating to the NEC Group's concentrated customer base;
- ・ difficulties with respect to new businesses;
- ・ potential failures in the products and services the NEC Group provides;
- ・ potential failure to procure components, equipment or other supplies;
- ・ difficulties protecting the NEC Group's intellectual property rights;
- ・ potential inability to obtain certain intellectual property licenses;
- ・ the NEC Group's customers may encounter financial difficulties;
- ・ difficulty attracting, hiring and retaining skilled personnel;
- ・ difficulty obtaining additional financing to meet the NEC Group's funding needs;
- ・ potential failure of internal controls;
- ・ potentially costly and time-consuming legal proceedings;
- ・ risks related to regulatory change and uncertainty;
- ・ risks related to environmental laws and regulations;
- ・ information security and data protection concerns and restrictions;
- ・ potential changes in effective tax rates or deferred tax assets, or adverse tax examinations;
- ・ risks related to corporate governance and social responsibility requirements;
- ・ risks related to natural disasters, public health issues, armed hostilities and terrorism;
- ・ risks related to the NEC Group's pension assets and defined benefit obligations; and

The management targets included in this material are not projections, and do not represent management's current estimates of future performance. Rather, they represent targets that management will strive to achieve through the successful implementation of NEC's business strategies. Finally, NEC cautions you that the statements made in this material are not an offer of securities for sale. Securities may not be offered or sold in any jurisdiction in which required registration is absent or an exemption from registration under the applicable securities laws is not granted.
